

Homework Completion Accommodations

*Provide support to the executive functions that are causing a breakdown
in the process*

- Check that assignments are recorded accurately
- Provide copy of assignments or access to a digital form
- List needed materials and provide check off packing of materials
- Be mindful of saturation point and medication wear off
- Provide a separate homework folder with assignment sheet
- Provide choices to increase engagement (odd /even, type/write)
- Parent may need support with structuring, due to heritability
- Teacher and parent both initial assignment planner
- Long term assignments chunked with due dates
- Reduce volume, and eliminate busy work
- Explicitly collect homework from the student
- Second set of books/workbooks at home
